From Tradition to Transformation: Vision 2026-2027

Vision 2026-2027

Prepared by LCIP Antoine Saad

The World Is Changing

- AI is no longer a tool – it is a new era
- Intelligent agents are resfiuping work and society
- But empathy, emotion, and human connection remain irreplaceable

Technology evolves fast ~ humanity must lead with heart.

The New Generation Mindset

- Personal growth
- Leadership opportunities
- Networking & career value
- Digital-first engagement
- Purpose with measurable impact

The new generation doesn't just join—they build, lead, and grow.

Why Lions Must Evolve

- Mission 1.5 is important
- But **quality** > quantity
- New members ask: “How wil this help me grow?”

Evolution is not about numbers — it’s about meaning.
